**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

One of the reason that i didn't stay with AT&T is because of there lack of response to my internet problems.

one was the cost that they wanted to charge for very poor service.

Two they didn't have any competition in our area till the small company came in at a better pricing an better speed.

I don't feel that At&T have anything but there own interest for there request at this time. FCC is suppose to be on the side of the people not big business as you have failed us several times so far.
